

IGI FSI 

Communication skills

Who we are:

IGI FSI is a Packages Group company, pioneering in emerging technologies driven Sales, Production and Customer Services interventions, HR solutions and Technical corporate trainings. Equipped with State of the art technology, IGI FSI can become your growth partner anywhere around the world.

Overview

Develop the following six key communication skills

1. To clearly communicate the goal.
2. To communicate your message using accurate language.
3. To communicate logically and provide a reason for everything you do.
4. To confidently manage conflict and handle even your most difficult people.
5. To self-motivate with a positive mental attitude and to develop self-confidence.
6. To inspire others and create a positive, productive atmosphere.

Mode of training

It will be an online video based training through our LMS. Our eLearning environment provides an easy way to learn by allowing you to carry your learning anywhere. The richness of the content, collaboration with peers and teachers, availability of the content, up to date information, interactive learning scenarios and various other benefits makes eLearning the best delivery method.

Investment Required

1000 PKR or 6 USD per person.
